

# ALEKS Preparation for Precalculus Course at Bethel

## Registration Instructions

Go to the ALEKS home page at <http://www.aleks.com>.

Click on the “New Student?” link.

Fill in the Course Code boxes with the course code **WXVXF-DFPGX**, and click “Continue.”

A screenshot of the "USING ALEKS WITH A CLASS?" registration screen. It includes a header "K-12 // Higher Education", instructions to register with a 10-character course code, and input fields for "WXVXF" and "DFPGX". A red box highlights the course code fields. Below the fields is a red button labeled "CONTINUE".

**USING ALEKS WITH A CLASS?**  
K-12 // Higher Education

Register here if you are a new student and need to use ALEKS with your class. To begin, enter your 10-character course code you received from your instructor.

Course code:  -  [what's this?](#)

**I don't have a course code**

**» CONTINUE**

You will now see the course information, and you can click “Continue.”

A screenshot of the course information screen. It lists details for "Bethel Prep for Precalculus (College)" including subject, instructor (Prof. Conrath), and school (Bethel University (MN)). A red button labeled "CONTINUE" is at the bottom.

Course: Bethel Prep for Precalculus (College)  
Subject: Prep for PreCalculus  
Instructor: Prof. Conrath  
School: Bethel University (MN) [\(Modify\)](#)

**» CONTINUE**

Most likely, you don’t have an ALEKS login name, so you will choose that option and click “Continue.” If you have used ALEKS, you are welcome to use an existing login name.

A screenshot of the "WELCOME TO ALEKS!" login screen. It asks "Have you used ALEKS before?" and provides two radio button options: "I have never used ALEKS before or I do not have an ALEKS login name." and "I have an ALEKS login name." A red button labeled "CONTINUE" is at the bottom.

**WELCOME TO ALEKS!**  
Have you used ALEKS before?

☐ I have never used ALEKS before or I do not have an ALEKS login name.

☐ I have an ALEKS login name.

**» CONTINUE**

You will now need to purchase your access code by clicking on “purchase an access code.”

A screenshot of the "STUDENT REGISTRATION: ENTER YOUR ACCESS CODE" screen. It has two panels. The left panel, "HAVE AN ACCESS CODE?", asks for a 20-character access code and has a red button labeled "CONTINUE". The right panel, "DON'T HAVE A CODE?", explains that a code can be purchased and has a red button labeled "PURCHASE AN ACCESS CODE".

**STUDENT REGISTRATION: ENTER YOUR ACCESS CODE**

**HAVE AN ACCESS CODE?**  
Please enter your 20-character access code. If you purchased a code online, locate your code in the confirmation email provided.

Access Code:  -  -  -  [what's this?](#)

**» CONTINUE**

**DON'T HAVE A CODE?**  
If you don't have an access code you can purchase one through our website.

**» PURCHASE AN ACCESS CODE**

You will then be directed to the registration and payment pages. You will need to have a credit card available for payment.

Once you are registered, ALEKS will lead you through all information needed to get started in the course (including entering your newly-purchased access code).

A screenshot of the ALEKS purchase screen. It features the ALEKS logo, a photo of students, and the text "ALEKS Prep for PreCalculus (6 weeks)" with a price of "\$38.00 USD". A red button labeled "PURCHASE AN ACCESS CODE" is highlighted. At the bottom, it says "Register for your access code" and "First enter your information, then place your order.".

**ALEKS®** ALEKS Prep for PreCalculus (6 weeks)  
**\$38.00 USD**

**» PURCHASE AN ACCESS CODE**

Register for your access code First enter your information, then place your order.

You should be sure to take advantage of any support information (instructions on understanding how ALEKS works) that is offered as you move forward in the program. ALEKS is quite “user-friendly,” and will walk you through all of the features of this online program.
