

## Calculus and Statistics AP Score Information, Bethel University

7/28/14

Find your earned or expected AP score in the column to the left. Note the credit received for this score if reported to Bethel, in the middle column. If you are continuing on to more mathematics courses, the next course is given in the final column.

AP Score	Bethel Course Credit Received	Enroll in this Bethel Math Course:
Calculus BC score of 4 or 5	Student receives credit for: MAT124M Calculus 1 and MAT125 Calculus 2.	MAT223, Multivariable Calculus
Calculus BC score of 3	Student receives generic M credit, and credit for MAT124M Calculus 1.	MAT125, Calculus 2
Calculus BC score of 1 or 2, but AB sub score is at least 4	Student receives credit for MAT124M Calculus 1.	MAT125, Calculus 2
Calculus AB score of 4 or 5	Student receives credit for MAT124M Calculus 1.	MAT125, Calculus 2
Calculus AB score of 3	Student receives generic M credit, but must retake Calculus 1.	MAT124M, Calculus 1*
Calculus AB or BC score of 1 or 2	Student receives no credit.	MAT123M, Precalculus

\*\* A Math Placement Exam is required for MAT124M, Calculus 1 and MAT123M, Precalculus

AP Score	Bethel Course Credit Received
Statistics score of 3 or higher	MAT207M Statistical Analysis

**Physics Standard Policy:** admittance into Calc1 or higher is required for admittance into PHY290D

**Notes for registration when AP score is not yet known:** If taking the **Calculus AB test**, enroll in **Calc. 1**, in a **section that overlaps with Precalc.** If taking **BC**, enroll in **Calc. 2**, in a section that overlaps with **Multivariable Calculus.**
